Become a partner through annual sponsorship.

We need you as our partner to build tomorrow's insurance leaders. As a sponsor, you can take pride in the knowledge that your support provides the tools to help new, aspiring and even seasoned professionals sharpen their skills, expand their industry knowledge and reach their ultimate career goals.

Our education programs are designed to help attendees develop and perfect the professional skills required to succeed in the insurance industry. We focus on enhancing industry knowledge, motivation, communication, leadership skills and so much more.

Offered through a variety of mediums from interactive roundtable discussions to executive panels and training seminars, we have something for all young professionals.

Our networking opportunities are simply unrivaled. The YIP Tri-State Online membership directory keeps all YIP members just a mouse-click away. Our receptions, golf outings, conference events and community activities give YIP members multiple opportunities to forge industry contacts and become part of a collective force that advocates young professional issues at all levels.

Our leadership positions throughout the organization—from committee member and chair to director and officer—give YIP members the chance to experience leadership firsthand. By participating in professional meetings, delivering reports and representing the organization, YIP members develop their communication and leadership skills and professional profile.

Annual sponsorship benefits include ...
